

## Quality Policy

It is recognised by All Metal Services Limited that the primary goal of any business organisation is to provide excellent levels of customer service, therefore as a global company All Metal Services Ltd aim to:

- Maintain our valued Quality Approvals.
- Understand, meet and exceed the requirements of our customers.
- Continually provide high quality product.
- Strive for On Time Delivery performance in accordance with agreed targets.
- Continually improve processes and improve the effectiveness of the Quality Management System.
- Constantly review and identify training requirements to improve customer service.
- Develop the company by identifying new markets
- Expand our facilities at home and abroad to maintain our status as No.1 service provider
